

## **February 2017 Careers update**

The Year 11 Careers education programme is virtually completed, however, if there are any students who would like additional input, please do not hesitate to contact [Lesley.tannock@latrust.org.uk](mailto:Lesley.tannock@latrust.org.uk) to arrange a careers interview.

Longfield Academy will be reassessed for Investor in Career in March 2017, but the comprehensive careers education programme continues to thrive at the Academy and we look forward to a positive reassessment.

Year 8 students attended a recent careers convention at Dartford Football club where they had the opportunity to talk to different people from a wide range of employment sectors. As the Year 8 students will be considering their options shortly the input from employers should assist with their choices.

Year 13 students who have chosen to enter the workplace will be fully supported ensuring that all of our students who leave Longfield Academy should have a positive destination to look forward to. Support will also be there for Year 12 students who feel they need additional support with their future choices.

The Year 10 Careers Convention will be taking place on the 13<sup>th</sup> of July 2017, where a large number of employers will be invited to talk to the students about possible opportunities in the future. This should help all of the year 10 students, to start thinking about their future and assist with their decision making in Year 11.

Parents/carers who would like to request careers interviews for you son/daughter please do not hesitate to e mail Lesley Tannock.
