

Living with Autism & Asperger's Syndrome

A series of Evening Talks arranged by the Multi-Agency Autism Group (MAAG) to help parents, families, carers and professionals learn more about autism and to gain confidence in managing children in their care.

MANAGING CHILDHOOD CONSTIPATION – HOW TO USE LAXATIVES

Who **Sandra Hanson**
Specialist Nurse for Childhood Constipation

What **Constipation is common in childhood with many people not taking it seriously. We understand the impact this has on the child and family and our service can help.**

When **Wednesday 22 November 2017 at 6.45pm until 8:45pm**

Where [Stone St Mary C of E School, Hayes Road, Stone, DA9 1EF](#)

Booking **Lois Spearing** lois.spearing@nhs.net
Lois will book your place at the meeting

Questions **Jo Blamires** Jo@kentautistic.com
Please contact Jo directly with any questions about the topic being discussed at the meeting

The Multi-Agency Autism Group is a partnership of representatives from Health, Education, Social Services, Voluntary Agencies and Parents. We provide this event and any follow-up information in the hope that it may prove useful; we believe it comes from credible sources but we are unable to vouch for the content and its suitability for your needs. Any views and opinions expressed by guest presenters are their own and are not necessarily endorsed by MAAG. People attending can use the information and knowledge gained but MAAG and our guest presenters cannot be liable for the outcome or any adverse effects. Guest presenters usually give of their time voluntarily.
