

## **Maths Catch-Up Funding**

The literacy and numeracy catch-up funding provides schools with an additional £500 for each year 7 pupil who do not achieve at least 100 (level 4 in legacy assessment) in reading and/or maths at the end of Key Stage 2.

The following table shows how many students have been eligible for this funding, the percentage of the year group this represents and how this funding has been used to fund interventions to help them close their attainment gap.

<b>Academic Year</b>	<b>Number of students</b>	<b>% of cohort</b>	<b>Funds Available</b>	<b>Use of funding</b>	<b>Impact</b>
2017/18	76	42.7% (10 students do not have entry data)	A share of £38,000 (some of this will also be allocated to English)	<ul style="list-style-type: none"><li>• Funding of a dedicated catch-up tutor salary, to work with small pods in delivering and supporting a number programme with non-secondary ready KS3..</li><li>• Part funding of KS3 Mathswatch online.</li><li>• Part funding for Step-Up mathematics books, for use in lessons and intervention groups for support in core concepts.</li></ul>	To be assessed at the end of the academic year.
